

# Instagram Mother's Day Project

Supplies needed for each child

-can be done as a group to produce one gift for mom too!

1. Some colored and white tissue paper from recyclables or your birthday/Christmas wrapping supplies.  
-can use construction paper or old grocery store fliers and white Kleenex too
2. Markers or crayons
3. Scissors
4. Glue sticks or glue (sticks better)
5. A piece of thin  
-cardboard or side from an old gift/cereal box, or a large paper plate
6. A small to medium empty plant container or old tissue box (small square)
7. Some newspaper from recyclables
8. Some wooden BBQ skewers or thin sticks or paint stirrers  
-must be about 4" taller than the container
9. Ribbon or stickers or things to decorate pot if you like!
10. A rock or 2 smaller rocks that will fit in bottom of container
11. print the 2 flowers below-1 set for each child
