

## Mrs. Robin's Mother's Day Mad Lib

I just LOVE my mother! She is the \_\_\_\_\_ (**adj. +est**) mother around! One time, when I was \_\_\_\_\_ (**number-younger than your age**) years old, I went to \_\_\_\_\_ (**a place where you can buy something**) with her. I really wanted to buy a new \_\_\_\_\_ (**noun**) that cost \_\_\_\_\_ (**number larger than 1**) dollars but I did not have enough money. So, my mom was \_\_\_\_\_ (**adj.**) enough to give me the rest of the money. But, now that I think about it, she made me \_\_\_\_\_ (**verb-present tense**) all my \_\_\_\_\_ (**noun-plural**) and \_\_\_\_\_ (**verb-present tense**) her \_\_\_\_\_ (**something of your mom's**) to pay her back.

She is also the \_\_\_\_\_ (**adj. + est**) cook around! When she cooks my favorite dinner of \_\_\_\_\_ (**a food you like**), she always makes it taste so good! But there was that one time when she made \_\_\_\_\_ (**a different food you like**) for me. It had so much \_\_\_\_\_ (**spice**) in it that my \_\_\_\_\_ (**body part**) was going numb and my hair turned \_\_\_\_\_ (**color**)! I wanted to throw it away in \_\_\_\_\_ (**a room in your house**), so she wouldn't know how \_\_\_\_\_ (**negative adj.**) it was, but she was \_\_\_\_\_ (**adv. +ly**) watching me eat each bite.

My mom is my (**adj. +est**) friend too! Whenever I am \_\_\_\_\_ (**emotion**), she knows how to make me \_\_\_\_\_ (**different emotion +er**). I was really missing my friends that I used to see at \_\_\_\_\_ (**a place**) now. My mom said that I should Zoom my friend (**a friend's name**) and we could play \_\_\_\_\_ (**a game**) together. It was a \_\_\_\_\_ (**positive adj.**) idea! But, then, when I was \_\_\_\_\_ bored, she said I should take \_\_\_\_\_ (**name of a person or animal in your house**) with me outside to play \_\_\_\_\_ (**favorite outside game**). That did not work out so well. \_\_\_\_\_ (**same person or pet**) got scared because the crazy neighbor's pet \_\_\_\_\_ (**a wild animal**) came into our yard and tried to \_\_\_\_\_ (**verb-present**) us!

Oh well, nobody is \_\_\_\_\_ (**adj.**) but my mom always tries her best. Even though I am not always the \_\_\_\_\_ (**adj. + est**) kid to be around, she always lets me know how much she \_\_\_\_\_ (**verb + s**) me. I am so glad that we got to spend this Mother's Day \_\_\_\_\_ (**verb + ing**) together and making \_\_\_\_\_ (**your favorite treat**) for dessert. I will remember it until I am \_\_\_\_\_ (**number bigger than your age**) years old! I hope that my mom will too!
